

“I’m here to help people feel more confident and happy with their own skin and features, your skin is an investment, not an expense.”

-Aarathy

Cosmetic Registered Nurse

With over two years of experience as a Registered Nurse and having a profound passion for the field, Aarathy always knew she wanted to venture into the world of aesthetics. Her goal is to educate and emphasize the importance of self care by making aesthetics more than just a treatment, but a journey.

The learning never stops with aesthetics! She continues to grow by investing in workshops, ongoing training and mentor great injectors in the industry. She is here to help people feel more confident and happy with their own skin and features, she believes your skin is an investment, not an expense.

In her spare time, she loves to try new food spots, dance and spend time with family.
