

“I believe that aesthetic treatments should help enhance natural features and empower clients to feel their very best at any stage of life.”

-Freda

# Cosmetic Registered Nurse

Freda has a diverse background in both hospital settings and aesthetic nursing, complemented by her extensive training in injectable treatments.

She has completed many advanced training courses, enhancing her expertise in the field of aesthetics, which is not just her profession but her passion. As a dedicated Nurse Injector, her goal is to enhance her clients' natural beauty, delivering results that are both subtle and transformative.

In her free time, Freda is committed to lifelong learning and regularly enrolls in new courses to expand her knowledge and expertise. This continuous educational pursuit enriches her practice and keeps her at the forefront of the latest advancements in her field. She also enjoys reading, trying new restaurants, and dancing. Her varied interests and commitment to her work inspire her to help clients achieve their beauty goals with confidence.
