

“I believe in subtle enhancement and facial harmony, with an emphasis on helping clients feel confident while still looking like themselves.”

-Liat

Cosmetic Registered Nurse

Liat is a Registered Nurse with a foundation in patient-centered care and advanced training in medical aesthetics. Her approach focuses on natural, balanced results that enhance confidence while respecting each client's unique features. With a strong passion for regenerative and preventative aesthetics, Liat combines clinical precision with an artistic eye to deliver subtle, high-standard outcomes tailored to the individual.

Liat entered the field of medical aesthetics through a long-standing passion for beauty, artistry, and facial aesthetics. Drawn to the balance between science and art, she pursued advanced training in cosmetic injectables and regenerative treatments with a strong focus on natural, refined results.

Her treatment philosophy centres on subtle enhancement, facial harmony, and healthy aging, with an emphasis on helping clients feel confident while still looking like themselves.
