

"I believe in soft, balanced results that leave my clients looking refreshed, confident, and still entirely themselves."

-Megan

Cosmetic Registered Nurse

As a Registered Nurse specializing in cosmetic injectables, Megan combines clinical precision with an artistic eye. With 2 years in the aesthetics industry, she is deeply passionate about creating refined, natural results that harmonize with each client's features.

Megan believes the most beautiful outcomes are the ones that look effortless, where enhancements are seamless, balanced, and uniquely you. She prioritizes patient safety above all, ensuring every treatment is performed with the highest standards of care, thorough consultation, and a conservative, evidence-based approach.

For Megan, aesthetic medicine isn't just about how you look, it's about how you feel when you leave the clinic. She is passionate about achieving soft, balanced results that leave her clients looking refreshed, confident, and still entirely themselves. With a strong commitment to safety and continued education, Megan approaches every treatment with intention and care.
