

Do you own or run a small to medium sized business? To support workplace COVID-19 screening and prevent outbreaks, <u>rapid antigen test kits</u> are available at our pharmacy.

- Tests are fast, easy and safe, with results in only 15 minutes
- We provide the test kits and training on proper use
- Peace of mind for you and your staff

Contact your personal pharmacist to get started today.*

*Must be eligible as per federal guidelines.

Unit 104, 2806 Jacklin Road Victoria, BC V9B 5A4 250-391-9367
