

Scripts for On-Hold Messaging

These scripts are designed to help you easily engage third-party vendors for on-hold phone messaging services. By using these brand-aligned scripts for a variety of themes and seasonal events, you ensure your pharmacy's messaging remains professional, consistent, and relevant—no matter who is producing the audio. Simply pick and choose the scripts that apply to your pharmacy and send them to your preferred vendor.

Need help creating more scripts customized to your pharmacy? Email our local marketing team at marketing@mckesson.ca

Theme	Script
Generic	Thank you for calling. Your health and well-being are our top priorities. Our pharmacy team is here to answer your questions, offer trusted advice, and help you manage your medications with confidence. We appreciate your patience and look forward to assisting you shortly.
Generic	We know your time is valuable. While you wait, remember that our pharmacists are always available to help with prescription renewals, medication reviews, and health consultations. Ask us how we can support your health goals today.
Generic	Did you know we offer more than just prescriptions? From over-the-counter remedies and health products to personalized advice, our pharmacy is your partner in everyday wellness. Thank you for choosing us for your health needs.
Generic	Managing your family's health can be a challenge, but you don't have to do it alone. Our knowledgeable pharmacy team is here to help with medication management, immunizations, and health resources for all ages.
Services	
Mobile App	Manage your medications anytime, anywhere with our easy-to-use mobile app. Access your fills and refills, manage your family's meds, and learn about your medications—all in one place. Download the app

	today on the App Store or Google Play.
Medication Management	We understand that it can be hard to remember to take your medication. Let us help you manage prescription renewals by synchronizing the refill dates, or by packaging your medications in blister packaging. Ask us for more information.
Vaccination	Vaccinations are a simple way to protect your health and the health of those around you. Our pharmacy offers a range of immunizations for all ages, including routine and seasonal vaccines. Speak with our team to learn more.
Prescribing for Common Conditions	Did you know that we can prescribe for common conditions? Whether it's a skin rash, a UTI, hemorrhoids, or other, we're here to help you get assessed and, if appropriate, prescribe the medication you need. Ask us for details.
Travel Health	Planning a trip? Visit us for travel health advice, vaccinations, and medications to keep you safe wherever you go. We can help you prepare for your journey with personalized recommendations.
Private Label	
Our Trusted Brands	Are you always on the lookout for high quality products at lower prices? Check out our trusted brands such as Option+, Kit, Nosh & Co., Rose & Robin, and savvy.
