

Personalized
Home Health Care
and Support Services
in **Vancouver**

elizz
by SE Health

You and your family have unique needs. At Elizz, we understand this. That's why we personalize our care for each family we serve. You get nurse-managed care that fits, and peace of mind knowing that **Elizz is part of SE Health, a not-for-profit social enterprise caring for Canadians for over 115 years.** Our care providers are professionally trained and available 24/7

At **Elizz** we offer:

Home Health Care

We have a wide range of healthcare professionals in the **Vancouver, Victoria, and surrounding areas**. Services include: personal care (showering, toileting, dressing), dementia care, foot care, medication assistance, meal prep, transportation, and more.

Caregiver Support

We offer one of Canada's largest resource libraries for caregivers, plus personal sessions with expert Caregiver Coaches.
