

STOP

Clean your hands when entering and exiting room

 **VISITORS:** Check with staff before entering room

STAFF: In addition to routine practices:

- Use dedicated equipment or disinfect before use with another resident
- Wear fit tested N95 respirator and eye protection within 2 metres of resident
- Wear gloves and long-sleeved gown

RESIDENT: If leaving room for transport/essential purposes must clean hands, wear a mask, and clean gown/clothes. Drainage/body fluids must be contained.

Health
