

AIRBORNE PRECAUTIONS

STOP

Clean your hands when entering and exiting room

 **VISITORS:** Check with staff before entering room

STAFF: In addition to routine practices:

- Keep door closed
- Use dedicated equipment
- Wear fit tested N95 respirator (including when transporting resident)
- For measles, varicella or disseminated zoster, only immune staff may enter

RESIDENT: If leaving room for transport/essential purposes must clean hands, wear a mask, and clean gown/clothes.
