

COVID-19 vaccine available here.

Book your appointment today.*

To book, visit
medicineshoppe.ca/covid-vaccine

*Must be eligible as per provincial guidelines.

Why you should get vaccinated against COVID-19:

- The vaccine will help protect you against COVID-19.
- The vaccine will help prevent the spread of the virus to those around you and protect the more vulnerable.
- Protection through vaccination will help achieve herd immunity.

Getting vaccinated and following recommended safety precautions will offer the best protection against COVID-19.

**To get more information
about the COVID-19 vaccine, visit
