MEMORY CARE *by* V!VA

Sparking Moments That Matter

A Compassionate, Personalized Approach to Memory Care

LUM!NA Memory Care isn't just about meeting needs – it's about celebrating life. We take a whole-person approach to memory care, thoughtfully designed around each individual. Our supportive environment honours dignity, encourages independence, and creates meaningful everyday moments that bring comfort and peace of mind to both Community Members and their families.

- Personalized, respectful dementia care
- Engaging daily routines and programs
- Chef-prepared meals with flexible dining options
- Specially trained Team Members with 24/7 nursing support
- Purpose-built spaces with secure outdoor gardens
