LUM!NA
MEMORY CARE by V!VA

Sparking Moments That Matter

A Compassionate, Personalized Approach to Memory Care

A Personalized Approach.

LUM!NA Memory Care isn't just about meeting needs — it's about celebrating life. Every Community Member deserves to feel respected, connected, and supported, every step of the journey.

- Whole-person care that honours each individual's history, passions, and routines
- Focus on dignity, compassion, and joy in daily living
- Personalized routines built around comfort and independence

Everyday Living with Purpose.

Thoughtful daily moments intentionally designed to bring comfort, familiarity, and meaning, supporting independence while nurturing confidence, dignity, and joy throughout each day.

- Support with familiar daily activities (such as meals, laundry, gardening, and dressing)
- Engaging opportunities that support independence and success
- Adapted V!VAfit wellness program for strength, balance, and mobility

Exceptional Dining Experience.

Nourishing, chef-prepared meals enjoyed in a warm, flexible setting that encourages connection and choice.

- Menus designed by our Red Seal Executive Chef
- Small-group dining for warmth and connection
- Flexible anytime dining and snacks available 24/7
- Family-style gatherings in our private dining room

Engaging Programs & Activities.

Purposeful experiences that support connection, creativity, and well-being, and encourage engagement and belonging.
