Welcome to The Home of Health!

SE Health (Saint Elizabeth Health Care) is a social enterprise applying knowledge, vision and drive to forever impact how people live and age at home, today and into the future. As a not-for-profit organization with Canadian roots and over 110 years of expertise, we bring quality excellence and innovation to home care, seniors' lifestyle and family caregiving. Through our team of 9,000 Leaders of Impact, we deliver 21,000 care exchanges daily, totaling 50 million in the last decade alone.

At SE Health:

- We are collaborators
- We see possibilities everywhere
- We believe in the power of individuals, families and their communities

We are excited to have you join the team and feel you have the drive and passion to be successful at SE Health. May your experience here be challenging, enjoyable and rewarding.

SE Health Employee Giving Program

The Saint Elizabeth Foundation is a national registered charity that serves as the fundraising arm of SE Health. Our fundraising efforts are involved in several areas, with our largest focus being around end-of-life care. This includes the following initiatives:

- Serving as a founding partner of Journey Home Hospice, Toronto's only hospice operating specifically for people requiring palliative care who are homeless or vulnerably housed
- Improving end of life care for people and families, such as providing spiritual care for those dealing with loss and opening SE's own hospice in North York in the next couple years
- Helping spread hope and happiness through our Elizz Paws program that involves therapy dogs visiting homes, retirement residences and hospices of those receiving care

Help us spread hope and happiness!

As an SE Health employee, you can join your colleagues in supporting the Foundation through a planned giving program set up via a regular payroll donation. All gifts will be recorded on your T4 slip, providing you with a tax credit that lowers the true cost of your gift.

With 26 pay periods a year, a relatively small contribution quickly adds up to make a positive impact.

**\$50/pay = \$1,300/year • \$25/pay = \$650/year • \$10/pay = \$260/year
\$5/pay = \$130/year • \$2/pay = \$52/year**

A gift, in any amount, is greatly appreciated. Thank you for your support!

Nancy Lefebvre
Senior Vice President & Chief Clinical Executive
