Memory Care you can both feel good about

At Symphony Senior Living Kanata, we are renowned for our leadership and expertise in the field of Memory Care (Alzheimer's and other dementias). Our goal is to connect with those who suffer from dementia and to support the families and caregivers who love them. Our team members are uniquely trained to embrace this moment and help them to live fully in the present, with whatever abilities they have. This distinctive approach minimizes confusion, agitation and frustration.
