**INDEPENDENT & ASSISTED LIVING | RESPITE**

We are not licensed for the following and will not be able to support in: Assistance with feeding and preparing, altered texture diet (puree or minced food, thickened fluids), a secured/locked unit dementia/memory care program. Full body lift/hoyer lift when the Community Member can no longer bear weight, wound care dressing – we could only apply first aid and then refer to an Ontario Health services nurse, 24/7 supervision.
