

Assisted Living.

Amenity Floor Plan

Smiles and hugs included.

For Community Members who require some extra care, VIVA's Assisted Living program offers an optimal combination of spacious suites, privacy and assistance when you need it.

Located on VIVA Pickering's beautifully designed Second Floor, the Assisted Living suites feature wider doorways for easier access, grab-bars for security, and access to nursing and personal care services 24 hours a day, 7 days a week. Plus, Assisted Living Community Members have access to exclusive amenities conveniently located on the same floor, including: the accessible Wellness Spa featuring a walk-in therapeutic tub, dining room, and the *Family Den* – a great place to catch up with friends or just read the paper.

Assisted Living suites also include:

- Health care provided by our registered team of Wellness professionals
- Assistance with activities of daily living, such as bathing and dressing
- Homemaking and housekeeping services including personal and flat-linen laundry
- Medication administration
- Three V!VAlicious meals freshly prepared daily
- Personal control of heating and air conditioning
- Private bathroom with pocket door for easier access, walk-in shower with built-in seat and grab bars
- Spacious walk-in closet
- Large windows with window treatments included
- Broadloom in the living room and bedroom
- Emergency call-button system
- Electronically controlled and monitored suite access utilizing key fobs
- Electrical outlets and phone jacks located higher for easy access
- Wider doorways
- Standard cable television service

See reverse for the Assisted Living amenity floor plan.
