Amazing People

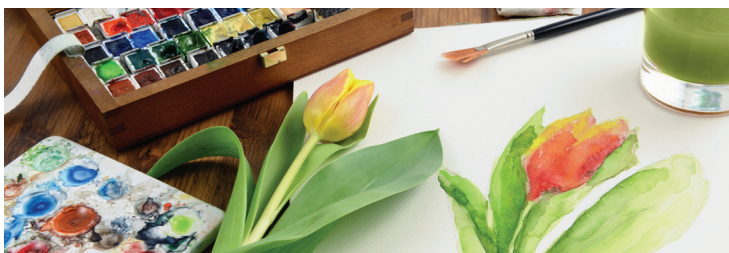

Our Team is the key to what makes VIVA so special. From the concierge who greets you every morning, to the Lifestyles Manager who cheers you on in our VIVAfit studio, and the culinary server who knows you like extra cheese on your pasta, every one of our VIVA Team Members is experienced, caring and genuinely committed to *Making Today Great!*

Fun and Engaging Activities

Our events and activities are as varied as the interests of our Community Members. We have wine tastings, visits to the theatre on our shuttle bus, art classes and cooking demonstrations, just to name a few!

We also provide a variety of fitness activities based on your goals and abilities. Whether you're looking for an invigorating aqua fit class in our indoor heated saltwater pool or a Zumba class to get your hips shaking, we'll get you moving and feeling fine!

V!VAlicious Dining

Our dining selections will have you asking for seconds! Your VIVA lifestyle includes three freshly prepared meals daily with a variety of options. Each dish is prepared by our Executive Chef who is passionate about healthy food that looks and tastes great!

Spacious Suites

Bright. Spacious. Inviting. We've designed our suites to fit your lifestyle. Choose from studio to two-bedroom options. Each suite is equipped with private bathrooms featuring step-in showers with a built-in seat and grab bars, a kitchenette* with full-size fridge and microwave, walk-in closets and an emergency call button system.

Fantastic Amenities

Catch your favourite film or enjoy a fascinating lecture in our big-screen movie theatre. Tend to your roses in the VIVA Victory Garden. Get together with your euchre buddies in our Brain Gym and have the winners buy a round in Paddles Pub. Our communities have all the amenities you need to stay as busy or relaxed as you want!

We could fill a book with how incredible VIVA is (we really could), but we'd rather show you. Book your complimentary lunch and tour to see how we are truly...
