

Assisted Living.

Smiles and hugs included.

For Community Members who require some extra care, V!VA's Assisted Living program offers an optimal combination of spacious suites, privacy and assistance when you need it.

Located on V!VA Whitby Shores's beautifully designed second floor, the Assisted Living floor features grab-bars for security, and on-site access to nursing and personal care services 24 hours a day, 7 days a week. Plus, Assisted Living Community Members have access to exclusive amenities conveniently located on the same floor, including: the accessible Marina Spa featuring a walk-in therapeutic tub, the Victoria dining room, and the Family Den – a great place to catch up with friends or participate in engaging programs.

Assisted Living suites include our standard IL features, plus:

- Access to 24/7 on-site Wellness Team
- Medication management & administration through our specialty pharmacy
- Individualized support with activities of daily living and personal care
- Assistance with bathing
- Emergency alert system & personal pendant
- Three delicious & balanced meals daily
- Laundry & housekeeping weekly
- Coordination with Ontario Health and other external care providers

In addition, these options are available for an additional fee:

- Adjustable bed
- Continence care
- Assistance with ambulation and transfers
- Companion care
- Other services as needed

See reverse for the Assisted Living amenity floor plan.
